Manufacturer's Certificate of Product Compliance with China Data Security Law

To Our Customers and End Users:

We at Picarro, Inc. are aware of and respect the requirements of the China Data Security Law. For the assurance of our customers in China, we offer this statement regarding Picarro's CRDS analytical instruments that are now in use or being supplied in China.

Picarro, Inc. certifies:

- Picarro analyzers neither collect nor transmit any observation data over the Internet.
- Picarro does not, and will not, disclose or export from China any observation data or other metadata collected in China on Picarro analyzers.

This certificate applies to all Picarro Windows-based analyzer products with model numbers in any of the following series:

G-1000
G-2000
G-4000
G-5000

Please contact us if you need any additional information about any Picarro analyzer product.
